what if your customers had a vested interest in guiding your company toward greater success what if your employees had a personal as well as professional commitment to elevating your organization imagine how different your results would be if investors vendors and even

analysts treasured the relationship they have built with you most important is your company capable of setting aside a bit of its own self interest to become part of dramatically more rewarding collaborative effort that s the provocative and ultimately earthshaking question david nour poses he argues that co creation is a transformational journey that naturally leads to growth and evolution because it gives birth to shared interests that dwarf anything that existed previously in co create david nour makes the case that co creation leads to market gravitytm a force that attracts stakeholders to your business because they recognize that many others have also united their interests with yours it s the sense backed by tangible metrics that this is bigger than any of us imagined except that you imagined precisely such an outcome that s the power of co creation

there has been a great deal of restructuring of rural places and communities under globalisation highlighting the interaction of local and global actors to produce new hybrid socio economic relations recent research highlights the heterogeneity of globalisation in which rural places are different to each other but also different to how they were in the past bringing together an interdisciplinary team of academics and comparative case studies from europe west and east and asia this book explores and discusses opportunities and challenges associated with globalising rural places and identifies possibilities for policy and practical intervention by rural development actors special attention is paid to multi scalar processes through which rural places are reshaped through globalisation taking a geographical approach the book produces new critical work on the interdependence between globalisation and rural spaces it is organised into five sections part i focuses on global rural linkages showing the multifaceted interrelation between actors at different geographical scale and demonstrating that globalisation is not only external to rural spaces part ii on rural entrepreneurship and labour markets explores the potential of business start ups in rural spaces which are not only necessity driven part iii rural innovation and learning shows that rural places are also places for innovation and learning part iv on rural policies and governance argues that regional policies for rural places should promote side activities to maintain social capital and that regional policy should take a more integrative perspective between urban and rural spaces in order to explore complementary development paths the concluding chapter new approaches to rural spaces discusses new approaches to globalising rural places in relation to the preceding chapters published in this book
