this book discusses the history of genealogy in the united states and tries to not only

bring genealogy into the main stream of historical sources but also demonstrate the serviceability of genealogy to historians

here are 102 ways to use training in family history and genealogy when applied to real world careers in education business or government including creative entrepreneurial start ups with the future marriage of genealogy to smart cards online databases or similar authentication technology for family history population registration census and library research it may be easier to research family lines not only by dna matches through dna testing for deep ancestry but also with smart electronic cards designed for electronic identity it s also a way to track military records as another way to trace family history careers and research may focus on various state libraries or historical associations history and family studies are part of an interdisciplinary liberal arts program that emphasizes research and writing journalism courses help round out your ability to express in plain language the results of your reading explorations and interpretations obtaining a degree or even taking one course or self study in family public or social history can lead to broad interdisciplinary careers graduate work in library science law journalism public history or genetics counseling with a double major in the life sciences and social work also lead to careers in which an historical education may be used

david edward bruner was born 6 july 1882 in van buren township daviess county indiana his parents were william henry bruner and margaret elizabeth riggs he married edna beulah robinson 1891 1957 daughter of william henry robinson 1867 1951 and mary magdaline fisher 1867 1934 in 1908 in daviess county indiana they had fourteen children ancestors descendants and relatives lived mainly in germany pennsylvania north carolina indiana illinois and arkansas

excerpt from the history and genealogy of the knowltons of england and america he extraordinary stimulus given to researches in the genealogical field by the various patriotic societies is one of the happy signs of the times he activities of commercial and the blandishments of social life the mad race for wealth and the pathetic struggle for the necessities of daily existence the indifference of many to everything outside and beyond their own personal and narrow circle and the lack of opportunity in others have until quite recently made the work of the genealogist an exceptional and unappreciated labor when men are concerned only about their present condition and individual interests caring nothing for ancestry or posterity they live in a very small world and like the squirrel playing in its cage fancy they are happy but that which now is is the result of what has been no man liveth unto himself and no man dieth unto himself was the conclusion of an ancient and revered philosopher and he who cares nothing for those whose transmitted name he bears and who have written that name high up among the records of of the race is lacking in the essentials of a self respecting manhood and the world has too many of this sort of people about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this

book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

a recent maritz poll reported that 60 of americans are interested in their family history and with good reason through genealogy you can go back into history to meet people who have had more influence on your life than any others your ancestors and the better you get to know your ancestors the better you will get to know yourself the who s and what s and why s of you barbara renick a nationally known lecturer on genealogy tells the uninitiated researcher the steps needed to find out who their ancestors really were and brings together for even the more experienced genealogical researchers the important principles and practices she covers such topics as the importance of staying organized and how to go about it where and how to look for information in libraries historical societies and on the internet recognizing that just because something is in print doesn t mean it s right and how to prepare to visit the home where your ancestors lived genealogy 101 is the first book to read when you want to discover who your ancestors were where they lived and what they did

city of remembering represents a rich testament to the persistence of a passionate form of public history in exploring one particular community of family historians in new orleans susan tucker reveals how genealogists elevate a sort of subterranean foundation of the city sepia photographs of the vieux carré sturdy pages of birth registrations from st louis cathedral small scraps of the earliest french superior council records elegant and weighty leaves of papers used by notaries and ledgers from the judicial deliberations of the illustrious spanish cabildo they also explore coded letters left by mistake accounts carried over oceans and gentle prods of dying children to be counted and thus to be remembered most of all the family historians speak of continual beginnings both in the genesis of their own research processes but also of american dreams that value the worth of every individual life the author an archivist who has worked for over thirty years asking questions about how records figure in the lives of individuals and cultures also presents a national picture of genealogy s origins uses changing forms and purposes tucker examines both the past and the present and draws from oral history interviews ethnographic fieldwork and archival research illustrations come from individuals archives and libraries in new orleans richmond washington dc and salt lake city as well as massachusetts and wisconsin demonstrating the contrasts between regions and how those practitioners approach their work in each setting ultimately tucker shows that genealogy is more than simply tracing lineage the pursuit becomes a fascinating window into people neighborhoods and the daily life of those individuals who came before us

guillaume leconte b ca 1658 1659 immigrated from france via england to st christopher in the west indies and then to new rochelle new york about 1698 he married twice descendants lived in many of the united states

thomas page was living at lunenburg massachusetts in 1755 when he was admitted to full communion in the lunenberg congregational church he was perhaps the son of samuel page 1672 1747 of lunenburg and a descendant of sir hugh page who lived at ebor yorkshire england in 1257 thomas page married dorothy houghton d 1758 in december 1755 and they moved to leomister massachusetts they had two children 1756 1758 he married 2 mary knight in 1759 they had seven children 1760 1764 thomas served in the revolutionary war from massachusetts they family migrated to walpole new hampshire in 1788 to westminster vermont in 1788 and to rockingham vermont ca 1790 descendants listed lived in vermont new york ohio ontario and elsewhere
