childfree and happy examines how millennia of reproductive beliefs or doxa have positioned women who choose not to have children as deviant or outside the norm considering affect and emotion alongside the lived experiences of women who have chosen not to have children courtney adams wooten offers a new theoretical lens to feminist rhetorical scholars examinations of reproductive rhetorics and how they circulate through women s lives by paying attention not just to spoken or written beliefs but also to affectual circulations of reproductive doxa through interviews with thirty four childfree women and analysis of childfree rhetorics circulating in historical and contemporary texts and events this book demonstrates how childfree women individually and collectively try to speak back to common beliefs about their

reproductive experiences even as they struggle to make their identities legible in a sociocultural context that centers motherhood childfree and happy theorizes how affect and rhetoric work together to circulate reproductive doxa by using sara ahmed s theories of gendered happiness scripts to analyze what reproductive doxa is embedded in those scripts and how they influence rhetoric by about and around childfree women delving into how childfree women position their decision not to have children and the different types of interactions they have with others about this choice including family members friends colleagues and medical professionals childfree and happy also explores how communities that make space for alternative happiness scripts form between childfree women and those who support them it will be of interest to scholars in the fields of the rhetoric of motherhood mothering as well as feminist rhetorical studies

on the role of bureaucracy in the planning and execution of community development programs a study in karnal district of haryana and gorakhpur district of u p

this book challenges the ongoing scholarly debates on poor people s negotiations with democracy it demonstrates the varied ways in which the poor engage with their elected representatives political mediators and dominant classes in order to advance their claims roy explains the variations by directing attention to the dynamic interaction between the opportunity structures available to the poor and the social relations of power in which they are embedded he analyses these intersections as political spaces which both enable and constrain popular practices through examination of the political spaces available to the poor in four different localities roy outlines a new analytic framework to understanding poor people s politics based on these observations the book makes a strong case for an approach to democracy that appreciates people s ambivalences towards democracy roy urges researchers of democracy to step beyond either enthusiastic narratives the inevitability of democracy or apocalyptic accounts of democracy s impending death
