at the time in 1978 when the cars that henry ford built was first published sending a copy for henry ford ii to review seemed a vain request automobile quarterly founding editor and publisher I scott bailey was told that mr ford never comments on a book written about ford two weeks later came an unexpected exhortation from henry ford ii my grandfather would have loved this book ford then specially ordered 20 copies bound in white leather needed in two weeks the rush order was necessitated by an upcoming trip to japan as is culturally customary to offer a gift that honors one s ancestors henry ford ii specifically chose the cars that henry ford built to give to his japanese hosts such high level praise is derived from the book s fresh approach to the subject of henry ford both in its study of the man and his cars as well as the exceptional pictorial presentation presented for the first time in full color there is every model henry ford produced from the quadricycle he put together as a young man in 1896 to the famous v8 ford on the production lines four and a half decades later during his failing years probably no other individual in automobile history more accurately mirrored in his cars his view of himself and of america as he saw it join award winning historian and author beverly rae kimes as she presents lively historical text that captures henry growing and aging as his cars grew and aged each lock stepped together through history over 100 full color photographs further bring the man and his creations to life

jay gould was an individual who for a century has been singled out as the most unscrupulous of the turn of the century robber barons in this splendid biography maury klein paints the most complete portrait of the notorious gould ever written klein s gould is a brilliant but ruthless businessman who merged dying railroads into expansive profit making lines including the giant union pacific 40 illustrations
