case studies offer insight into how to make relationships work each chapter contains such exercises as breathing exercises making a timeline of the relationship and thoughts to ponder

this powerful collection of essays by such notables as d h lawrence robert bly anne morrow lindbergh and rainer maria rilke focuses on the challenges of love between men and women addressing the questions and difficulties arising for people in relationships today anyone who is has been or hopes to be in an intimate relationship with a person of the opposite sex will find this book must reading the first group of essays deals with the contradictions and possibilities inherent in erotic love leading to the question posed in the next section what do men and women really want the contributors then explore marriage as an ongoing path of personal transformation that opens into a look at sexuality itself as an especially vivid meeting of two different worlds the book closes with a group of writings that consider relationship as a vehicle for developing power wisdom and inner truth carefully selected threaded together by welwood s insightful commentary the essays presented here approach the challenge of intimacy with bravery and gentleness inspiring the reader toward becoming a warrior of the heart

everyone in or out of a relationship has wondered how couples work and what makes them successful or unsuccessful long lasting or short term in this insightful refreshingly nonjudgmental book barry dym ph d and michael glenn m d chart the stages of a couple s journey together and offer a provocative glimpse of the complex birth and development of intimate partnerships at the heart of couples the authors identify three distinct yet recurring stages common to all enduring relationships we learn that couples begin with a period of expansion and promise a time when each individual feels somehow larger more witty and charming in short the best person that he or she can be the intensity of expansion cannot last though and inevitably will move into contraction we each pull back into our more habitual ways enact or demand more stereotypical gender roles and feel disappointed and betrayed couples who weather the storm of contraction and long term couples will experience many of them will resolve their struggles and move into a time of resolution when intimacy is renewed and each individual can become more complete containing both their best and worst selves but couples is much more than a map illustrating their ideas with in depth examples drs dym and glenn reveal how a couple s identity is shaped by these stages and the powerful cultural expectations of society friends and family who tell us what a couple should be couples analyzes how recurrent patterns are established and the impact of gender issues children and the serious crises that occur in any lifetime finally the authors offer accessible suggestions for applying these concepts to one s own relationship guiding couples and

individuals in how to manage their own periods of turmoil and transition original engaging and thoughtful couples uncovers the essence of our most intimate relationship ultimately it offers a striking portrait not just of whom we love and why but who we are book jacket title summary field provided by blackwell north america inc all rights reserved

an exploration of the bonds that play a central role in women s lives and which are critical for a woman s sense of identity and emotional well being for the modern woman the need for love and acceptance from another has never been more important finding true love however has never been more fraught with challenge and adversity you may have experienced infidelity had a partner who fails to respect your boundaries or felt deeply sad and lonely in your marriage you could also be a woman who has a strong desire to marry but can t find your soul mate in woman to woman you will read about others who have experienced such challenges as well as those who were able to find fulfillment in their romantic relationships in their own words they talk about marriage sex infidelity divorce and single life entwined within their stories dr daniela granzotto discusses critical issues that characterize a healthy intimate relationship with frankness and warmth dr granzotto shares her expert knowledge and insight woman to woman to empower you with a better understanding of yourself and your love life

a comprehensive exploration of knowing and not knowing being known and not known in intimate relationships

anyone involved in embarking on or yearning for an intimate relationship should buy borrow or steal intimate partners new woman what goes on in our intimate attachments what patterns of relationships do couples tend to follow and why the bonds we create affect every aspect of our lives and yet our grasp of them is limited by our emotional reactions and learned responses now in intimate partners bestselling author maggie scarf gives us the classic book on marriage on how love relationships are formed and how they change over the course of the marital cycle here you ll discover how to understand one s inherited emotional history and how fits with a partner s the fascinating ways in which power and control and intimacy and autonomy exert strong effects upon the kind of partnership two people create surprising observations on the role of sex and the impact of children on marriage why change can be experienced as a form of betrayal and how to ensure that a relationship matures with and is not impeded by each individual s growth simple exercises that couples can do to resolve tensions and change the nature of the world they share verbal and physical techniques to cope with sexual difficulties and enliven a couple s connection during sex straightforward methods for how to engage in healthy not dysfunctional quarrels intimate partners is a book that changes not only how we view love relationships but also how we live them every marriage contains a story and it begins long before the wedding maggie scarf tells us in her ambitious thought provoking ultimately

compelling study read it and feel consoled usa today listen to maggie scarf and you ll come away thinking that yes marriage can be tough living long term with another person is one of the greatest challenges there is but it s well worth the effort chicago tribune provocative scarf writes lucidly and convincingly the washington post book world

there is a mysterious connection between our experiences of intimacy of love the longing to feel connected and sexual embrace and the human sense of time eternity impermanence and rhythm in this critical analysis of the time intimacy equation bennett shows how the scientific study of personal relationships can address this mystery as a study of transpersonal science this book points to the possible evolution of intimacy and of our consciousness of time and how the two evolutionary paths weave together dr bennett draws from a wide array of resources to advance and marry two compelling themes first the social and clinical science of personal relationships should integrate the spiritual or transpersonal dimension of intimacy and second science can contribute to lay understandings by describing the richly temporal aspects of relationships in blending popular literature transpersonal psychology and scientific research and theory this work also attempts to address the lack of dialogue between academics who study personal intimacy and those writers in the popular press who give advice and guidelines for building intimacy time and intimacy is written for a broad audience intended for those with a general interest in relationships as well as for students counselors and psychologists it can be used as a text in courses on personal relationships as well as to supplement courses in humanistic psychology transpersonal psychology interpersonal communication relationships marital and family counseling human relations and related areas because it advances an interdisciplinary understanding of personal relationships this book is certain to challenge prevailing views about the meaning of intimacy in both the academic and popular literatures

intimate relationships covers both classic and current material in a concise yet thorough and rigorous manner chapters range from attraction to love attachment to jealousy sexuality to conflict all written in a warm personal and engaging voice topics are viewed from an interdisciplinary perspective firmly grounded in research examples and stories from everyday life lead into each chapter to stir a student s engagement with the material and critical thinking prompts throughout the text aid his or her reflection on the issues and theories presented each chapter is organized around major relationship issues and relevant theories in addition to a critical evaluation of the research when appropriate the authors discuss and evaluate popular ideas about intimate relationships in the context of scientific research this third edition has been thoroughly updated and revised to include the latest findings and topics in relationship science including the role of the internet in today s relationships students will benefit from a revised chapter on sexuality that reflects current views on sexual orientation and sexual pathways as well

as a forward looking chapter on the evolution and diversity of relationships in the 21st century to support student learning the new edition includes flashcards learning objectives and outlines for each chapter a companion website accessible at [routledge.com/cw/erber](http://routledge.com/cw/erber) provides instructors with powerpoint presentations and a test bank and provides students with flashcards of key terms as well as learning outcomes and chapter outlines for each chapter

drawing on interviews with uk couples in distance relationships this book seeks to explain evaluate and advance sociological debates about intimate life it provides a rich and human perspective on how bodies emotions and connections to others are key in maintaining intimate relationships

are you wanting more passion in your relationship statistics show that most people in a relationship are unhappy with the quantity and quality of the passion between them and their partner this is particularly true of couples who have been together for some time it seems that decreased intimacy and passion is a natural part of a relationship as it develops over time is it true for your relationship whatever your situation take heart there are couples out there who do have amazing relationships filled with passion intimacy and great sex and everything keeps getting better with time you might know or have seen seen couples who are still crazy about each other after having been together for years and wish your relationship could be like that the truth is that it can al you need is to know what they re doing and do it yourself together we wil go over 9 things that people who have these wonderful relationships have turned into habits i hope that once you know them you will make them habits too hopefully this book will clear up the confusion

intimate relationships where have we been where are we going is an innovative text that focuses on the interpersonal dynamics of couples and on the dynamics of couples in context we explore how intimate relationships evolve and develop and how they succeed or fail we talk about a variety of important relationship topics and skills including early attachment courtship and dating marriage sexuality gender power communication conflict resolution relationship problems e g abuse infidelity divorce couples enrichment and couplehood over the life course the science of these foci as studied by sociologists social psychologists anthropologists historians couple and family therapists and family social scientists is incorporated throughout this revised text was written in collaboration with students undergraduate graduate and alumni from the university of minnesota all connected through an extraordinary class about some of the most important things in our lives love intimacy healing and growth

extremely well researched and coherently argued this book presents top quality research and draws appropriately on the existing knowledge in this area the focus on fidelity across different kinds of relationship structures is very original and will prove an important contribution to the field of relationship research a key strength of this study is that the analysis pays attention to both commonalities and diversity which is rare even in qualitative research the analysis is also both clearly expressed and sophisticated dr meg barker open university this is a fascinating investigation of the meaning of love sex and fidelity for different kinds of couples kassia wosick reports on a survey and in depth conversations with couples that were straight and gay monogamous and non monogamous traditional and polyamorous love and being special are enormously important in all of these groups but she also finds startling differences for some sexual exclusiveness is critical for others being faithful means not loving anyone else but sex with others is ok for polyamorous couples having explicit rules and being open and honest is the heart of fidelity and being special and having sex can mean many different things this book persuasively argues that we need more flexible emotion focused concepts of love commitment and fidelity the traditional focus on sexual exclusivity does not fit many contemporary relationships this is a very valuable book for researchers and therapists and for all of us who care about love sex and faithfulness professor francesca Cancian university of california irvine engaging insightful thoroughly researched and well written sex love and fidelity study of contemporary romantic relationships provides a compelling analysis of evolving relationships with a unique focus on levels of monogamy that surpasses previous studies to contribute refreshing insights into current meanings of sexuality and love wosick untangles the myriad cultural assumptions underlying the concept of fidelity and details the various ways in which fidelity expresses in a range of contemporary relationships from dual fidelity and strict monogamy through veiled fidelity and almost monogamy to specified fidelity and non monogamy and ending with agentic fidelity and polyamory now that few people in the us expect to be monogamous in the classical sense of marrying as a virgin and remaining in one life long sexually exclusive relationship sex love and fidelity provides the information necessary for us to update our understandings of contemporary love and commitment dr elisabeth sheff sheff consulting group

combining practical advice like that of harville hendrix with spiritual teaching like those of thomas merton the bestselling author of journey of the heart challenge of the heart and awakening the heart creates an extraordinary book about the sacred power of intimate relationships

this book addresses the nature of intimacy and relationships in a time of what eva illouz characterizes as cold intimacies the contributors to this collection highlight the ambivalence and tensions contained in intimacy by uncovering a nuanced and

complex dynamic in which interpersonal relations and the public sphere are mutually constituted a range of topics are explored including the new conditions of choice the abundance of partners class and emotional competence rational decision making and the specific forms of love pain which can emerge from cooled intimacy the chapters also shed light on the limits of this theoretical contribution highlighting the importance of parenting violence poverty and other material constraints that continue to limit and frame individuals romantic choices overall this volume presents an interpretation of intimacy that is not just cold but includes practices desires and feelings that are safe and dangerous that bring solace or erupt in violence that lead to salvation or condemnation and where virtual encounters and increased internal and crossborder mobility have altered the relationship between intimacy and physical emotional distance romantic relationships in a time of cold intimacies will be of interest to scholars and students across a range of disciplines including sociology social work social policy and demography as well as practitioners and policy makers with an interest in couple relationships
