for use in schools and libraries only writings by and about kafka and textual notes accompany this translation of his early 20th century work

franz kafka s 1915 novella of nightmarish transformation became a worldwide classic and remains a century later one of the most widely read works of fiction in the world this new and acclaimed translation is accompanied by possible inspirations and critical analysis of gregor samsa s strange story this norton critical edition includes susan bernofsky s acclaimed new translation along with her translator s note introductory materials and explanatory footnotes by mark m anderson three illustrations related texts by kafka leopold von sacher masoch friedrich nietzsche and rainer maria rilke among others eight critical essays by g[unther anders walter h sokel nina pelikan straus mark m anderson elizabeth boa carolin duttlinger k[ari driscoll and dan miron a chronology and a selected bibliography

franz kafka s 1915 novella of nightmarish transformation became a worldwide classic and remains a century later one of the most widely read works of fiction in the world this new and acclaimed translation is accompanied by possible inspirations and critical analysis of gregor samsa s

strange story this norton critical edition includes susan bernofsky's acclaimed new translation along with her translator's note introductory materials and explanatory footnotes by mark m anderson three illustrations related texts by kafka leopold von sacher masoch friedrich nietzsche and rainer maria rilke among others eight critical essays by g  nther anders walter h sokel nina pelikan straus mark m anderson elizabeth boa carolin duttlinger k  ri driscoll and dan miron a chronology and a selected bibliography

step into the bizarre and haunting world of franz kafka's *the metamorphosis* like never before this new edition translated by rhys montgomery and released in 2025 by llewellyn publishing offers a fresh interpretation of kafka's groundbreaking novella bringing a modern clarity and resonance to a tale that has captivated readers for over a century montgomery also touches on possible interpretations of the text in an illuminating must read afterword included at the end of the book when gregor samsa wakes up one morning to find himself transformed into a monstrous insect his entire world and that of his family is thrown into chaos a story of profound alienation identity and the fragile bonds of human connection *the metamorphosis* delves into the fears and anxieties that define our existence through kafka's surreal lens the mundane becomes extraordinary and the boundaries between humanity and monstrosity blur rediscover kafka's masterwork in this vibrant and evocative new translation where every turn of the page invites you to question the nature of existence identity and the world around you perfect for students scholars and lovers of classic literature *the metamorphosis* remains a powerful exploration of what it means to be human and this new version ensures it will continue to resonate for generations to come by brilliantly preserving the unsettling beauty of kafka's prose and making the story accessible to contemporary readers whether you're a lifelong kafka devotee or discovering *the metamorphosis* for the first time this edition is an essential addition to your library

in *dear science* and other stories katherine mckittrick presents a creative and rigorous study of black and anticolonial methodologies drawing on black studies studies of race cultural geography and black feminism as well as a mix of methods citational practices and theoretical frameworks she positions black storytelling and stories as strategies of invention and collaboration she analyzes a number of texts from intellectuals and artists ranging from sylvia wynter to the electronica band drexciya to explore how narratives of imprecision and relationality interrupt knowledge systems that seek to observe index know and discipline blackness throughout mckittrick offers curiosity wonder citations numbers playlists friendship poetry inquiry song grooves and anticolonial chronologies as interdisciplinary codes that entwine with the academic form suggesting that black life and black livingness are in themselves rebellious methodologies mckittrick imagines without totally disclosing the ways in which black intellectuals invent ways of living outside prevailing knowledge systems

translation has been a crucial process in world culture over the past two millennia and more in the english speaking cultures many of the most important texts are translations from homer to beckett the bible to freud although recent years have seen a boom in translation studies there has been no comprehensive yet convenient guide to this essential element of literature in english written by eminent scholars from many countries the oxford guide to literature in english translation meets this need and will be essential reading for all students of english and comparative literature it highlights the place of translation in our culture encouraging awareness of the issues raised making the translator more visible concentrating on major writers and works it covers translations out of many languages from greek to korean from swahili to russian for some works e g virgil's *aeneid* which have been much translated the discussion is historical and critical showing how translation has evolved over the centuries and bringing out the differences between versions elsewhere with less familiar literatures the guide examines the extent to which translation has done justice to the range of work available the guide is divided into two parts part i contains substantial essays on theoretical

questions a pioneering outline of the history of translation into english and discussions of the problems raised by specific types of text e g poetry oral literature the second much longer part consists of entries grouped by language of origin some are devoted to individual texts e g the thousand and one nights or writers e g ibsen proust but the majority offer a critical overview of a genre e g chinese poetry spanish golden age drama or of a national literature e g hungarian scottish gaelic there is a selective bibliography for each entry and an index of authors and translators

the relationship of philosophy with kafka s oeuvre is complex it has been argued that kafka s novels and stories defy philosophic extrapolation conversely it has also been suggested that precisely the tendency of kafka s writings to elude discursive solution is itself a philosophical tendency one that is somehow contributing to a wiser relationship of human beings with language these matters are the focus of the proposed volume on philosophy and kafka the proposed collection brings together essays that interrogate the relationship of philosophy and kafka and offer new and original interpretations the volume obviously cannot claim completeness but it partially does justice to the multiplicity of philosophical issues and philosophical interpretations at stake this variety informs the composition of the volume itself a number of essays focus on specific philosophical commentaries on kafka s work from adorno s to agamben s from arendt s to benjamin s from deleuze and guattari s to derrida s a number of essays consider the possible relevance of certain philosophical outlooks for examining kafka s writings here kafka s name goes alongside those of socrates kant kierkegaard nietzsche wittgenstein buber heidegger blanchot and levinas finally a number of essays consider kafka s writings in terms of a specific philosophical theme such as communication and subjectivity language and meaning knowledge and truth the human animal divide justice and freedom in all contributions to the volume such themes motifs and interpretations arise to varying degrees all essays are concerned with the relationship of literature and philosophy and thus with the philosophical significance

of kafka s writings

designed to provide english readers of german literature the opportunity to familiarize themselves with both the established canon and newly emerging literatures that reflect the concerns of women and ethnic minorities the encyclopedia of german literature includes more than 500 entries on writers individual work and topics essential to an understanding of this rich literary tradition drawing on the expertise of an international group of experts the essays in the encyclopedia reflect developments of the latest scholarship in german literature culture and history and society in addition to the essays author entries include biographies and works lists and works entries provide information about first editions selected critical editions and english language translations all entries conclude with a list of further readings
