don't let the revolution in math education pass your teachers by individually the common core and rti are formidable enough together they create a perfect storm of challenges with most teachers left wondering where to turn first finally here's a resource that distills the central elements of the common core and rti into a single manageable instructional strategy for serving all students it provides real world scenarios classroom ready work samples content area applications recommended online resources guidance on special needs students behavioral issues and parent involvement

common core's english resources empower educators to meet the expectations of the common core state standards ccss for english language arts ela and build essential content knowledge for students in grades k-5 each grade in the wheatley portfolio features a comprehensive coherent sequence of thematic units that engage students in deep study of worthwhile texts and topics features of this book include six thematic units for each grade each centered on a curated collection of literary and informational texts focus standards for each unit that complement the topic and promote student mastery of essential literacy skills suggested texts and activities to incorporate science art and history into english instruction this revised second edition includes a sample text study that guides students through a close read of an exemplary text updated web resources and refreshed suggested works educators who create their curriculum based on common core's wheatley portfolio guarantee that students are exposed to content rich instruction

and have ample opportunity to master the reading writing speaking listening and language skills articulated in the ccss for ela

common core s english resources empower educators to meet the expectations of the common core state standards ccss for english language arts ela and build essential content knowledge for students in grades 9 12 each grade in the wheatley portfolio features a comprehensive coherent sequence of thematic units that engage students in deep study of worthwhile texts and topics features of this book include six thematic units for each grade each centered on a curated collection of literary and informational texts focus standards for each unit that complement the topic and promote student mastery of essential literacy skills suggested texts and activities to incorporate science art and history into english instruction this revised second edition includes a sample text study that guides students through a close read of an exemplary text updated web resources and refreshed suggested works educators who create their curriculum based on common core s wheatley portfolio guarantee that students are exposed to content rich instruction and have ample opportunity to master the reading writing speaking listening and language skills articulated in the ccss for ela

how the common core standardizes our kids education and how it threatens our democracy the common core state standards initiative is one of the most controversial pieces of education policy to emerge in decades detailing what and when k 12 students should be taught it has led to expensive reforms and displaced other valuable ways to educate children in this nuanced and provocative book nicholas tampio argues that though national standards can raise the education bar for some students the democratic costs outweigh the benefits to make his case tampio describes the history philosophy content and controversy surrounding the common core standards for english language arts and math he also explains and critiques the next generation science standards the advanced placement us history curriculum framework and the national sexuality education standards though each set of standards has admirable elements tampio asserts that democracies should disperse education authority rather than entrust one political or pedagogical faction to decide the country s entire philosophy of education ultimately this lively and accessible book presents a compelling case that the greater threat to democratic education comes from centralized government control rather than from local education authorities

a parent s guide to understanding the common core educational standards designed to ensure a similar level of job and college preparedness for students from all backgrounds and regions the common core standards have been adopted in 45 states from coast to coast these new common standards are designed to bring many diverse state standards into alignment with each other in math and english to create a set of national educational standards common core standards for parents for dummies explains this new set of standards what it means for students and how parents can get their children prepared for the school year explains what changes to expect in the classroom includes a grade by grade explanation of the new math and english standards provides tips and exercises for helping students succeed for parents who want to help their kids excel at school common core standards for parents for dummies is a handy straightforward guide that explains everything they need to know

this book explains what the standards say what they mean and how to teach them the book is organized by the anchor standards in the following categories reading literature informational text foundational reading skills this is a departure from the 6 12 standards that we will have to consider in design format writing speaking and listening language

common core s english resources empower educators to meet the expectations of the common core state standards ccss for english language arts ela and build essential content knowledge for students in grades 9 12 each grade in the wheatley portfolio features a comprehensive coherent sequence of thematic units that engage students in deep study of worthwhile texts and topics features of this book include six thematic units for each grade each centered on a curated collection of literary and informational texts focus standards for each unit that complement the

common core s english resources empower educators to meet the expectations of the common core state standards ccss for english language arts ela and build essential content knowledge for students in grades 6 8 each grade in the wheatley portfolio features a comprehensive coherent sequence of thematic units that engage students in deep study of worthwhile texts and topics features of this book include six thematic units for each grade each centered on a curated collection of literary and informational texts focus standards for each unit that complement the topic and promote student mastery of essential literacy skills suggested texts and activities to incorporate science art and history into english instruction this revised second edition includes a sample text study that guides students through a close read of an exemplary text updated web resources and refreshed suggested works educators who create their curriculum based on common core s wheatley portfolio guarantee that students are exposed to content rich instruction and have ample opportunity to master the reading writing speaking listening and language skills articulated in the ccss for ela

in her new book bestselling author mercedes schneider provides little known details about the history of the common core state standards she lifts the veil on how the common core was developed who was present in the back room the push to copyright it so that test makers could profit and the urgency for governors to sign commitments before the standards were even completed ccss is publicized as being a state led teacher developed approach guaranteed to ensure that all students are college and career ready by the end of this eye opening book readers will come to understand the ccss and its attendant assessments as something very different an education restricting profit garnering opportunity packaged as an education sounding sales pitch common core dilemma will appeal to readers across the political spectrum who want to better understand the role of corporations nonprofits big donors with strings attached and the federal government in exercising control in our schools mercedes schneider is the right person to take a close look at the controversies around the common core she is not only a high school teacher but also holds a ph d in research methods and statistics no one digs deeper than she to understand the politics money and personalities behind big issues diane ravitch professor of education at new york university historian of education and bestselling author author of reign of error the common core state standards swept the nation in an educational coup d etat six years ago the campaign was so swift that most americans indeed most educators had never even heard of the standards when they were adopted mercedes schneider has become the nation s leading detective investigating this whodunnit mystery and here she tells the tale from the beginning anthony cody educator writer and public speaker

something in common is the first book to provide a detailed look at the groundbreaking common core state standards and their potential to transform american education this book tells the story of the unfolding political drama around the making of the common core state standards for math and english language arts which were adopted by 43 states and the district of columbia over a six month period in 2010 after decades of similar proposals had gone down in flames as a senior fellow at the major organization promoting the common core standards education writer bob rothman gives the reader a bird s eye view of this unfolding drama and brings the major players to life with lively anecdotes and behind the scenes details he describes the developments leading up to the historic agreement and compares them to earlier efforts he also explains the content of the standards in depth describes steps being taken to implement them and examines how the assessment consortia plan to measure student performance against the new standards the book is a must have reference work for researchers practitioners school leaders policy makers and others

interested in contemporary education policy and reform

this book advocates for a stronger role for young adult literature in ela classrooms compellingly documenting how this body of work meets both the needs of adolescent students and the demands of the common core for complex texts and tasks integrating young adult literature through the common core standards provides a compelling template for teachers that uses young adult literature and inquiry learning to meet students needs and the demands of the common core standards the first part of the book addresses the widely adopted common core state standards by examining closely the standards model of text complexity and demonstrating how young adult literature can fill the requirements of this model the second part provides theoretical discussions and analysis of the standards as well as concrete applications of young adult literature within the classroom in order to give school professionals a comprehensive understanding of how young adult literature and the standards can work together the book empowers schools and teachers to make intelligent informed decisions about texts and instructional practices that benefit their students finally the authors explore a powerful teaching approach that integrates current understandings about learning young adult literature and the common core standards in a way that will facilitate greater learning and understanding in english classrooms

the common core state standards are a set of standards for kindergarten through 12th grade that have been adopted by 45 states in an effort to ensure that all u s students are equally prepared for college and careers but no change in educational policy will ever meet with universal approval and this change is proving controversial for many reasons parents are getting secondhand biased information in many cases and lack a clear understanding of what these standards are and how they will affect how and what their children learn idiot s guides the common core standards will help parents students teachers student teachers and administrators understand the details of this far reaching initiative in it readers get a history of the development of the standards how they came to be where they have been implemented and how they compare with those of other countries an outline of what makes these standards different from previous statewide and standards details and examples of how students classroom learning will change under the common core ways parents can help students at home including how to help with homework that may be quite different than what they remember a breakdown of the standards for english math and literacy across other subject areas by grade level answers to the most commonly asked questions about the common core information on the assessments that students will take as part of the new curricula

the common core standards have recently been adopted in most states across the nation and teachers are in the process of getting to the core of these standards teaching to standards is not a new concept teachers have adapted to new standards every few years for quite some time and teachers are adaptable as can be seen in this book we are writing this book to demonstrate how teachers use research based strategies to meet common core standards while still focusing on students our goal is to help teachers visualize students in action as other teachers describe the implementation of research based strategies in their own classrooms show student work samples and provide reflections of student success in achieving the standards many common core standards books focus on the standards but our approach focuses on strategies that engage the students in the classroom showing how different teachers at varying grade levels have used the strategies to meet the standards with this focus we believe that teachers gain a new and positive perspective on approaching the new standards and see the flexibility of strategies for meeting standards across subject areas we have examined research on the strategies with the purpose of giving teachers a brief description of why these strategies work before giving actual examples from classrooms we also work closely with teachers in the public schools and have our finger on the pulse of what is happening in the public schools one of the current stressors being unpacking the common core standards this book actually focuses on practice we begin by laying out a rationale in our first chapter the core value s of education then each chapter focuses on a strategy including 1 a brief description about the research supporting each strategy and 2 several examples from different grade levels which include a description of how the strategy was used student work

samples and a reflection on the use of the strategy the research descriptions are fairly short because while we believe professional educators aka teachers in this case should know the research that supports practice we know they are not typically interested in long diatribes about the research

common core s english resources empower educators to meet the expectations of the common core state standards ccss for english language arts ela and build essential content knowledge for students in grades k 5 each grade in the wheatley portfolio features a comprehensive coherent sequence of thematic units that engage students in deep study of worthwhile texts and topics features of this book include six thematic units for each grade each centered on a curated collection of literary and informational texts focus standards for each unit that complement the topic and promote student mastery of essential literacy skills suggested texts and activities to incorporate science art and history into english instruction this revised second edition includes a sample text study that guides students through a close read of an exemplary text updated web resources and refreshed suggested works educators who create their curriculum based on common core s wheatley portfolio guarantee that students are exposed to content rich instruction and have ample opportunity to master the reading writing speaking listening and language skills articulated in the ccss for ela

the common core is requiring literacy across the curriculum but what does that mean for teachers of subjects like math science and social studies who have a lot of content to cover in this essential book author jessica bennett reassures you that you don t have to abandon all of your great content lessons and start from scratch instead you can reflect on what you re already doing well and make adjustments and enhancements as necessary bennett starts with a clear breakdown of the common core ela social studies history and science and technical subjects standards for grades 7 12 and what they actually look like she provides a variety of practical strategies and scaffolds that you can use immediately to enhance your curriculum and meet the standards you will learn how to incorporate a wider variety of texts into your curriculum teach students to use each text with purpose whether it is for close reading support argumentation or research assign meaningful group work and projects without feeling that they have to take up your whole curriculum help students navigate their textbooks more effectively and read for information use the common core to meet the needs of diverse learners implement the four as strategy in which students absorb content analyze information argue reasons and apply knowledge use writing tasks to strengthen student comprehension of content teach various forms of writing and the importance of text citations and more throughout the book you ll find tools such as unit planning sheets daily lesson plan sheets classroom handouts sentence starters and more if you teach a content area this must have resource will help you meet the common core with ease

comprehensive common core curriculum for world history grades k 2 the alexandria plan is common core s curriculum tool for the teaching of united states and world history it is a strategic framework for identifying and using high quality informational texts and narrative nonfiction to meet the expectations of the common core state standards ccss for english language arts ela while also sharing essential historical knowledge drawn from the very best state history and civics standards from around the country the curriculum is presented in this four volume series common core curriculum united states history grades k 2 common core curriculum world history grades k 2 common core curriculum united states history grades 3 5 and common core curriculum world history grades 3 5 features of each book include learning expectations which articulate the key ideas events facts and figures to be understood by students in a particular grade span suggested anchor texts for each topic in depth text studies comprised of text dependent questions student responses and assessments based on a featured anchor text select additional resources concise era summaries that orient both teachers and students to the historical background the curriculum helps teachers pose questions about texts covering a wide range of topics this volume common core curriculum world history grades k 2 introduces lower elementary students to 18 key eras in world history from the discovery of fire to modern globalization through stories that they will treasure forever
