a financial times summer books selection will become required reading times literary supplement elegantly written with a confidence that comes from decades of deep research on the topic illustrating how influence and power have waxed and waned between the two countries rana mitter financial times china and japan have cultural and political connections that stretch back fifteen hundred years but today their relationship is strained china s military buildup deeply worries japan while japan s brutal occupation of china in world war ii remains an open wound in recent years both countries have insisted that the other side must openly address the flashpoints of the past before relations can improve boldly tackling the most contentious chapters in this long and tangled relationship ezra vogel uses the tools of a master historian to examine key turning points in sino japanese history gracefully pivoting from past to present he argues that for the sake

of a stable world order these two asian giants must reset their relationship a sweeping often fascinating account impressively researched and smoothly written japan times vogel uses the powerful lens of the past to frame contemporary chinese japanese relations he suggests that over the centuries across both the imperial and the modern eras friction has always dominated their relations sheila a smith foreign affairs

the relationship between china and japan remains among the most significant of all the world's bilateral affairs yet it is also the most tortured and the least understood akira iriye adds brilliant clarity to the past century of chinese-japanese interactions in this masterful interpretive survey placing the relationship within its global context he outlines three distinct periods in the history of these asian giants from the 1880s to world war i the two nations struggled for power armaments war strategies and security measures played pivotal roles reflecting the importance of military calculations in a world dominated by western governments in the second period that between the two world wars iriye illuminates the dominant role of culture and the stress on internationalism china's continuing literary influence an exchange of ideas and students reforms such as japan's taisho democracy and china's may fourth movement and both nations' bid for racial equality in the west profoundly affected these interwar years the third period reaches from the end of world war ii through the present day and is characterized by exchanges of an economic nature trade shipping investment and emigration the author discusses the results of china's civil war the rise and decline of the cold war in the west and the cultural and ecological problems brought by japan's spiraling economic development but economic ties remain deeply entwined with cultural concerns and ultimately iriye stresses the

future of china and japan depends on the successful cultural interdependence of what may be the most significant pair of countries in the world today

focusing on the ancient medieval and early modern eras this collection considers the beginnings of sino japanese relations in the ancient east asian world focusing on changes of the east asian international system it examines the establishment of the east asian international order in the 7th century and the advance of sino japanese relations in medieval times it also considers the impact of initial contact with modern western powers on modernization and examines the points of rupture which deeply affected both cultures for china the opium war and for japan it the black ships of commodore matthew perry and the meiji restoration based on research conducted jointly by chinese and japanese scholars this collection provides a unique insight into the development of chinese and japanese culture from comparative perspectives offering an in depth study of the countries political religious and societal structures to deepen objective perception toward history and promote mutual understanding in east asia

from before the dawn of recorded history there has been a rich flow of interaction between japan and china japan has long learned many things from chinese civilization and since the modern era china began to learn from japan in the twenty first century however china surpassed japan in terms of gdp in 2010 to become the world s second largest economy amid this rapid rise of china and what has been called a power shift in japan china relations there are signs that bilateral tensions are rising and that the image each country has of the other is worsening this volume provides a cogent analysis of the politics of the bilateral relationship in the modern era explaining the past present and future of japan china relations during a time of massive political

social and economic changes written by a team of internationally renowned japanese scholars and based on sources not available in english this book is essential reading for students and scholars of japan china relations japanese international relations and the politics and international relations of east asia
