- 2 What are the key differences between the Italian approach to property rights and those found in common law systems The CCC emphasizes a more centralized and codified approach to property rights compared to the more decentralized and caselaw-driven approach of common law systems The concept of *causa* in property acquisition for instance lacks a direct equivalent in common law
- 3 How has the CCC adapted to the challenges of the digital age While the CCC itself isn't inherently digital recent commentary increasingly addresses issues related to e-commerce digital contracts and data protection reflecting the evolving legal landscape
- 4 What role do international treaties and EU law play in shaping the interpretation of the CCC Italys membership in the EU means that EU law takes precedence where there is conflict with domestic legislation The CCCs commentary increasingly integrates EU case law and directives to ensure compliance with European legal standards
- 5 What are the future prospects for the CCC in light of technological advancements and societal changes The future likely involves greater digitalization the integration of AI-driven legal research tools and continuous adaptation to societal shifts like demographic changes economic globalization and environmental concerns The CCCs continued relevance depends on its ability to reflect these changes effectively
