new directions in american politics introduces students not just to how the american political system works but also to how political science works la raja brings together top scholars to write original essays across the standard curriculum of american government and politics capturing emerging research in the discipline in a way that is accessible for undergraduates each chapter combines substantive knowledge with the kind of skill building and analytical inquiry that is being touted in higher education everywhere contributors to new directions highlight why the questions they seek to answer are critical for understanding american politics and situate them in the broader context of controversies in research the teaching of american politics follows a well worn path textbooks for introductory courses hew to a traditional set of chapters that describe the founding american institutions the ways citizens participate in politics and sometimes public policy the material rarely engages students in the kind of questions that animate scholarship on politics one hurdle for instructors is finding material that reflects quality scholarship and thus teaches students about why not just what and yet is accessible for undergraduates

articles in scholarly journals are typically unsuited for undergraduate courses particularly introductory courses what is needed is a book that conveys exciting trends in scholarship across vital topics in american politics and illustrates analytical thinking new directions in american politics is that book and will be an ideal companion to standard textbooks that focus mostly on nuts and bolts of politics the book features contributions from a top notch cast of active scholars and a highly regarded editor a focus on analytical thinking that addresses questions of causality full coverage of the american politics curriculum short interviews with each contributor on a companion website to help the research come alive and prompt critical thinking questions for students work that draws on the highest quality research in political science but is written specifically for first year undergraduate students there is simply no book like this available to the growing number of faculty who want their introductory american politics course to be a reflection of the political science discipline and not just the nuts and bolt facts of the american political system

minorities and representation in american politics is the first book of its kind to examine underrepresented minorities with a framework based on four types of representation descriptive formalistic symbolic and substantive through this lens author rebekah herrick looks at race ethnic gender and sexual minorities not in isolation but synthesized within every chapter this enables readers to better recognize both the similarities and differences of groups underrepresentation herrick also applies her unique and constructive approach to intergroup cooperation and intersectionality highlighting the impact that groups can have on one another

principles and practice of american politics is a well balanced reader covering all the major topics of an american government course blake jones ohio valley university combining timeless readings with cutting edge articles and essays principles and practice of american politics seventh edition enriches students

understanding of the american political system by examining the strategic behavior of key players in u s politics this collection of classic and contemporary readings brings concepts to life by providing students with real examples of how political actors are influenced by the strategies of others and are governed by the constitution the law and institutional rules carefully edited by award winning authors samuel kernell and steven s smith each reading is put into context to help students understand how political actions fall within a major national political forum new to the seventh edition nine new and updated essays encourage students to reflect on the continuing debates over the polarization of the american electorate and congress the role of social media and fake news in influencing public views of politicians and issues the fragile trump coalition the efficacy of polling in tracking public opinion and other issues more relevant than ever in the wake of the 2016 elections additional essays challenge students to think more carefully about alternative institutions and political arrangements the new essays present institutions of majority rule the nature of racial discrimination and the proper role of the court as less settled issues that provide students an opportunity to think through and discuss their views on the future direction of american civic life each selection is artfully framed by kernell and smith s contextual headnotes to make them appropriate for classroom use original readings written specifically for the volume give the book a coherent treatment of the performance of u s political institutions

although politics at the elite level has been polarized for some time a scholarly controversy has raged over whether ordinary americans are polarized this book argues that they are and that the reason is growing polarization of worldviews what guides people s view of right and wrong and good and evil these differences in worldview are rooted in what marc j hetherington and jonathan d weiler describe as authoritarianism they show that differences of

opinion concerning the most provocative issues on the contemporary issue agenda about race gay marriage illegal immigration and the use of force to resolve security problems reflect differences in individuals levels of authoritarianism events and strategic political decisions have conspired to make all these considerations more salient the authors demonstrate that the left and the right have coalesced around these opposing worldviews which has provided politics with more incandescent hues than before

american politics is typically a story about winners the fading away of defeated politicians and political movements is a feature of american politics that ensures political stability and a peaceful transition of power but american history has also been built on defeated candidates failed presidents and social movements that at pivotal moments did not dissipate as expected but instead persisted and eventually achieved success for the loser s ideas and preferred policies with legacies of losing in american politics jeffrey k tulis and nicole mellow rethink three pivotal moments in american political history the founding when anti federalists failed to stop the ratification of the constitution the aftermath of the civil war when president andrew johnson s plan for restoring the south to the union was defeated and the 1964 presidential campaign when barry goldwater s challenge to the new deal order was soundly defeated by lyndon b johnson in each of these cases the very mechanisms that caused the initial failures facilitated their eventual success after the dust of the immediate political defeat settled these seemingly discredited ideas and programs disrupted political convention by prevailing often subverting and occasionally enhancing constitutional fidelity tulis and mellow present a nuanced story of winning and losing and offer a new understanding of american political development as the interweaving of opposing ideas

in recent decades christian clergy have ever more frequently had to decide

whether to become involved in politics when they do become involved their influence can be substantial in this book sue e s crawford laura r olson and their coauthors explore the political choices clergy make and the consequences of these choices drawing on personal interviews and statistical data to place the actions of clergy in both their religious and secular contexts the authors study mainline and evangelical protestant catholic and mennonite communities they examine the role of white african american and female religious leaders and they address issues of local development city government and national and international politics contributors christi j braun boston university school of law timothy a byrnes colgate university james c cavendish university of south florida sue e s crawford creighton university katie day lutheran theological seminary at philadelphia melissa m deckman washington college paul a djupe denison university joel s fetzer central michigan university james l guth furman university ted g jelen university of nevada las vegas laura r olson clemson university james m penning calvin college mary r sawyer iowa state university corwin e smidt calvin college christopher gilbert gustavus adolphus college

this book offers a comprehensive assessment of the major theoretical approaches to the study of american politics written by leading scholars in the field the book s essays focus particularly on the contributions that competing macro and microanalytic approaches make to our understanding of political change in america the essays include systematic overviews of the patterns of constancy and change that characterize american political history as well as comparative discussions of theoretical traditions in the study of american political change the volume concludes with four provocative essays proposing new and integrated interpretations of american politics this is a path breaking book that all scholars concerned with american politics will want to read and that all serious students of american politics will need to study the dynamics of

american politics is appropriate for graduate core seminars on american politics undergraduate capstone courses on american politics courses on political theory and approaches to political analysis and rigorous lower division courses on american politics

in this innovative account of the way policy issues rise and fall on the national agenda the first detailed study of so many issues over an extended period frank r baumgartner and bryan d jones show that rapid change not only can but does happen in the hidebound institutions of government short term single issue analyses of public policy the authors contend give a narrow and distorted view of public policy as the result of a cozy arrangement between politicians interest groups and the media baumgartner and jones upset these notions by focusing on several issues including civilian nuclear power urban affairs smoking and auto safety over a much longer period of time to reveal patterns of stability alternating with bursts of rapid unpredictable change a welcome corrective to conventional political wisdom agendas and instability revises our understanding of the dynamics of agenda setting and clarifies a subject at the very center of the study of american politics

classic and contemporary readings include the founding fathers a reform caucus in action john p roche the federalist no 51 james madison the federalist no 39 james madison mcculloch v maryland 1819 griswold v connecticut 1965 gideon v wainwright 1963 brown v board of education 1954 1955 in defense of preference nathan glazer the federalist no 78 alexander hamilton bad news bad governance thomas e patterson the new media and politics what does the future hold doris a graber marbury v madison 1803 regulation the new pork barrel pietro s nivola

keeping the republic gives students the power to examine the narrative of what s going on in american politics distinguish fact from fiction and balance from

bias and influence the message through informed citizenship keeping the republic brief edition draws students into the study of american politics showing them how to think critically about who gets what and how while exploring the twin themes of power and citizenship the thoroughly updated ninth edition analyzes not only the 2020 election results and supreme court rulings but also examines the activism of the black lives matter movement political outsiders in campaigns and party nominations the federal government s response to the covid 19 pandemic and the presidency of donald trump with students living through one of the most challenging periods in american life keeping the republic brief edition is there to be a much needed resource to help them make sense of politics in america today and become savvy consumers of political information carefully condensed from the full 10th edition by authors christine barbour and gerald c wright keeping the republic brief edition gives your students the same continuity and crucial content in a more concise value oriented package this title is accompanied by a complete teaching and learning package digital option courseware sage vantage is an intuitive digital platform that delivers this text s content and course materials in a learning experience that offers auto graded assignments and interactive multimedia tools all carefully designed to ignite student engagement and drive critical thinking built with you and your students in mind it offers simple course set up and enables students to better prepare for class assignable video with assessment assignable video available with sage vantage is tied to learning objectives and curated exclusively for this text to bring concepts to life lms cartridge import this title s instructor resources into your school s learning management system lms and save time don t use an lms you can still access all of the same online resources for this title via the password protected instructor resource site cq press lecture spark designed to save you time and ignite student engagement these free weekly lecture launchers focus on current event topics tied to key concepts in american government li

why do democratic political candidates avoid the one issue on which the general public is most in agreement with them why do republicans consistently raise the one issue their advisors urge them to avoid why do voters so often exhibit patterns of policy preference vastly different from what analysts and strategists predict and why do these same voters consistently cast ballots that ensure the continuation of divided government in the two majorities byron shafer and william claggett offer groundbreaking political analysis that resolves many of the seeming contradictions in the contemporary american political scene drawing on an unusually large sample of all americans taken by the gallup organization shafer and claggett argue that the recent turbulence in american politics is in some ways superficial below the surface they contend the political preferences of the american people remain remarkably stable shafer and claggett find that american public opinion is organized around two clusters of issues both of which are favored by a majority if voters social welfare social insurance and civil rights which constitute an economic welfare factor associated with democrats and cultural values civil liberties and foreign relations a cultural national factor associated with republicans provocatively the authors argue that each party s best strategy for success is not to try to take popular positions on the whole range of issues but to focus attention on the party s most successful cluster of issues

american politics is criticized and belittled by media critics and the public yet the system is held out as a model for the world the paradox of this simultaneous cynicism and adulation is rooted in the conflict between the human motives that drive politics crisply and clearly written with numerous historical examples how american politics works explains the complex and sometimes confusing american political system in a vibrant and accessible light documented with recent and historical scholarship presented clearly in

laymen s terms how american politics works explores the multiple dimensions of politics and the source of americans disillusionment with their government through the four ps philosophy pragmatism personality and profit philosophical and moral principles underpin the key political institutions in america but values are challenged in the quest to achieve workable political solutions policy is rarely made to conform to lofty principles alone it often results from short term incremental compromise driven by people in pursuit of the public good and their own personal self interest and profit how american politics works explains the inner workings of the american political system including the power of ideas political compromise powerful personalities and the preeminent position of money while americans high ideals are often illusive in the rough and tumble of political battles and the public s trust is bruised with every political scandal balancing idealism and individual virtue with ambition and self interest is the dynamic and safeguard of american politics how american politics works offers a comprehensive presentation of the realities challenges and possibilities of the american political system to bring an understanding fascination and dedication to the wider public
