ncert textbooks play the most vital role in developing student's understanding  
and knowledge about a subject and the concepts or topics covered under a  
particular subject keeping in mind this immense importance and significance  
of the ncert textbooks in mind arihant has come up with a unique book  
containing questions answers of ncert textbook based questions this book  
containing solutions to ncert textbook questions has been designed for the  
students studying in class xi following the ncert textbook for biology the  
present book has been divided into 22 chapters namely biological  
classification plant kingdom animal kingdom biomolecules mineral nutrition  
respiration in plants digestion absorption anatomy of flowering plants cell  
cycle cell division respiration in plants body fluids circulation morphology of  
flowering plants locomotion movement etc covering the syllabi of biology for  
class xi this book has been worked out with an aim of overall development of  
the students in such a way that it will help students define the way how to write  
the answers of the textbook based questions the book covers selected ncert  
exemplar problems which will help the students understand the type of  
questions and answers to be expected in the class xi biology examination also  
each chapter in the book begins with a summary of the chapter which will help  
in effective understanding of the theme of the chapter and to make sure that  
the students will be able to answer all popular questions concerned to a

particular chapter whether it is long answer type or short answer type question for the overall benefit of students the book has been designed in such a way that it not only gives solutions to all the exercises but also gives detailed explanations which will help the students in learning the concepts and will enhance their thinking and learning abilities as the book has been designed strictly according to the ncert textbook of biology for class xi and contains simplified text material in the form of class room notes and answers to all the questions in lucid language it for sure will help the class xi students in an effective way for biology
