kelley armstrong s new york times bestselling darkness rising trilogy is collected here for the first time the gathering strange things are happening in maya s tiny vancouver island town first her friend serena the captain of the swim team drowns mysteriously in the middle of a calm lake then one year later mountain lions are spotted rather frequently around maya s home

and her reactions to them are somewhat unexpected it doesn't help that the new bad boy in town Rafe has a dangerous secret and he's interested in one special part of Maya's anatomy her paw print birthmark the calling now Maya and her friends have been forced to flee from their homes during a forest fire they suspect was deliberately set then they're kidnapped and after a chilling helicopter crash they find themselves in the Vancouver Island wilderness with nothing but their extraordinary abilities to help them get back home the rising all Maya and her friends have is the name and number of someone who might be able to give them a few answers answers to why they're so valuable and why their supernatural powers are getting more and more out of control but Maya is unprepared for the truths that await her and like it or not she'll have to face down some demons from her past if she ever hopes to move on with her life

ik was ongeveer een week geleden achter mijn geheime identiteit gekomen en het is niet verrassend dat dat het punt markeerde waarop het hele leven op zijn kop kwam te staan voor ons allemaal er breken moeilijke tijden aan voor Maya en haar vrienden ze worden achtervolgd en er zijn niet genoeg schuilplaatsen en ze kunnen ook niet naar de autoriteiten voor hulp want iedereen denkt dat ze zijn omgekomen in een helikoptercrash alles wat ze hebben is de naam en het nummer van iemand die hun misschien een paar antwoorden kan geven Maya is echter niet voorbereid op de waarheid maar ze kan niet op de vlucht blijven en moet nu voorgoed afrekenen met de demonen uit haar verleden verrijzing is het derde en laatste deel in de spannende darkness rising serie eerder verschenen samenzwering en roeping Kelley Armstrong is ook de auteur van de zeer succesvolle darkest powers trilogie

racism is resilient duplicitous and endlessly adaptable so it is no surprise that america is again in a period of civil rights activism a significant reason racism endures is because it is structural it s embedded in culture and in institutions one of the places that racism hides and thus perhaps the best place to oppose it is books for young people was the cat in the hat black presents five serious critiques of the history and current state of children s literature tempestuous relationship with both implicit and explicit forms of racism the book fearlessly examines topics both vivid such as the cat in the hat s roots in blackface minstrelsy and more opaque like how the children s book industry can perpetuate structural racism via whitewashed covers even while making efforts to increase diversity rooted in research yet written with a lively crackling touch nel delves into years of literary criticism and recent sociological data in order to show a better way forward though much of what is proposed here could be endlessly argued the knowledge that what we learn in childhood imparts both subtle and explicit lessons about whose lives matter is not debatable the text concludes with a short and stark proposal of actions everyone reader author publisher scholar citizen can take to fight the biases and prejudices that infect children s literature while was the cat in the hat black does not assume it has all the answers to such a deeply systemic problem its audacity should stimulate discussion and activism
