the population of Britain was mobilized to support the war effort on a scale unseen in any other western
democracy or in Nazi Germany they endured long working shifts shortages of food and all other goods and
complete government control of their daily lives most men and women were conscripted or volunteered for
additional tasks outside their formal working hours under the air raids that destroyed the centres of many towns
and made about 2 million homeless more than 60 000 civilians were killed and 86 000 seriously injured this

fascinating illustrated summary of wartime life and the organizations that served on the home front is a striking record of endurance and sacrifice

the first world war saw many changes to derbyshire that helped shape what the county is today this book details the human experiences thoughts concerns fears and hopes of the county during one the most important periods of its history all aspects of civilian life are featured including the run up to war and the reaction to its outbreak the recruitment of men to the forces and the eventual conscription the efforts of those who could not fight industry and the munitions factories where workers built the weapons and tools that helped win the war the impact on agriculture and the role of farmers in feeding the nation food shortages and rationing the role of women the role of the county in helping wounded servicemen and providing comforts and funds for those overseas belgian refugees conscientious objectors and an alleged plot to kill the prime minister anti german feeling hostility to germans living in the county and prisoners of war civil defence and a zeppelin raid that brought destruction and fear for the first time in its history the people of derbyshire realised that the horrors of war were not confined to overseas battles but they could be witnessed and experienced in their own neighbourhoods

prior to the american revolution the urban centers of colonial north america had little direct experience of war with the outbreak of violence british forces occupied every major city invading the most private of spaces the home by closely considering the dynamics of the household how people moved within it thought about it and wielded power over it the home front reveals the ways in which occupation fundamentally upended the structures of colonial society and created opportunities for unprecedented economic and social mobility in occupied cities british officers usurped male authority to quarter themselves with families patriot wives governed households in

their husbands absence daughters flirted with officers domestic servants disappeared with soldiers and enslaved kin absconded to british lines in pursuit of freedom as lauren duval shows the unique conditions of occupation produced an aggrieved american population bound by shared emotional distress and domestic disorder in the wake of this deeply disorienting experience elite americans deliberately reconsecrated the private home as a national symbol that epitomized masculine authority building on a stunning wealth of primary sources duval vividly captures daily life during the revolution through the eyes and ears of those who intimately experienced it showing how men and women of all races statuses and states of freedom understood its implications for their lives families and the nascent american republic

the first detailed illustrated description in english of wartime life in germany and the tentacles of the nazi state as they affected every man woman and child german families suffered the same hardships as british labour conscription extra civic duties severe shortages of food and necessities disrupted transport homelessness and evacuation separation from loved ones and for many bereavement however there were important differences the dictator for whom many had voted was leading them to ruin unequalled death and devastation ensued from allied air raids and every aspect of life was caged around with repressive decrees that began to replace the true rule of law well before september 1939 this book outlines and illustrates the living conditions of german civilians in world war ii and the nazi state s basic structure
