before buying please note that this is not an official mass effect 2 game guide this is a collection of tips tricks and hints that we found in the game mass effect 2 is a multi platform sequel the second part of a space rpg the events of the game continue the plot of the original captain shepard manages to repel the attack of the monstrous reaper ship on the citadel but his adventures do not end there some time after the attack human colonies in the far sector of space begin to disappear one after another and shepard together with the team will have to go on a suicidal mission the goal of which is to find the cause of the disappearance of the colonists in

the second part the developers reworked not only the interactive but also the role playing system for example the inventory and skill system became simpler and clearer but at the same time they lost a certain depth the number of classes was also reduced but the number of possible partners on the contrary increased from now on shepard can take with him on a mission two of his thirteen companions each of which has its own history motivation and skills
