ever since china and vietnam resumed diplomatic contacts and reopened the border in 1991 the borderland region has become part of the vibrant growing economies of both countries and drawn many from the interior provinces to the borderland for new

economic adventures this book examines chinese vietnamese relationships at the borderland through every day cross border interaction in trade and tourism activities it looks into the historical underlining of bilateral relations of the two countries which often shape people s perceptions of the other and interpretation of intentions of acts in their daily interaction albeit chinese and vietnamese have lived side by side for centuries their interaction in the space of trade and modern tourism in post war and post reform china and vietnam is something novel to both people the book provides a bottom up approach to examine the localized experiences of inter state relations it illustrates the changes the vibrant economic process has brought to the borderland communities and how the revived contacts and interaction have generated a contested space for examining vietnamese chinese relationships and demonstrating trans border cultural politics a novel study of the strategic development of the borderland within the new political economy at china southeast asia border region this book is of interest to academics in the field of anthropology border studies social and cultural studies and asian studies

prehistory and early history of alabama and the southeastern us born of a concern with alabama s past and the need to explore and explain that legacy this book brings together the nation s leading scholars on the prehistory and early history of alabama and the southeastern us covering topics ranging from the mississippian period in archaeology and the de soto expedition and other early european explorations and settlements of alabama to the 1780 siege of mobile this is a comprehensive and readable collection of scholarship on early alabama contributors jeffrey p brain william s coker chester b depratter james b griffin charles hudson richard a krause eugene lyon michale c scardaville bruce d smith marvin t smith wilcomb washburn

the book analyses issues associated with the contemporary and memory in the polish german borderlands a complex multidimensional cultural and geographic area the first section of the book which focuses on contemporary issues is divided into three parts namely a theoretical body records of conversations with the inhabitants of the borderlands who are engaged in social activities and records of workshops and conversations that brought together teenage inhabitants of the borderlands close cooperation with the inhabitants of two borderland towns resulted in several interesting perspectives on the borderlands which are seen as a physical space as well as a mental intimate close and sometimes frustrating space subject to micro and macro scale transformations in this book the borderlands are viewed from these two perspectives the micro scale is marked out by the individual experience of the inhabitants of the borderlands and the macro scale by the institutional framework established for the purpose of constructing an integrated community on the border
