the unofficial guides are the consumer reports of travel guides offering candid evaluations of their destinations attractions hotels restaurants shopping nightlife sports and more all rated and ranked by a team of unbiased inspectors so even the most compulsive planners can be sure they re spending their time and money wisely each guide addresses the needs of everyone from families to business travelers with handy charts that demonstrate how each place stacks up against the competition plus all the details are pulled out so they re extremely easy to scan the unofficial guide to disneyland is a candid guide to the happiest place on earth offering candid reviews of all the rides shows hotels and restaurants plus field tested touring itineraries for adults and families with children also includes complete

coverage of universal studios hollywood the unofficial guide to disneyland also includes every attraction rated and ranked for each age group based on interviews and surveys of more than 6 100 families when to go the best times of year and the best days of the week all the disneyland area hotels rated and ranked for value and quality of rooms plus reviews of all full service restaurants in disneyland how to find and meet the disney characters unvarnished practical advice for families couples honeymooners and singles

the authors introduce four principles dream believe dare and do and reveal how these ideas drive the ten principles that are at the heart of every disney strategy jacket

business planning and market strategy offers students entrepreneurs and executives penetrating insights into developing business plans and market strategies that bolster the odds of succeeding in today s highly competitive marketplace rather than reduce the planning process to mechanistic step by step instructions which promote thinking inside the box author e k valentin provides practical planning guidelines that encourage creative strategic problem solving drawing on both his business experience and the business literature he explains not only what entrepreneurs and executives should look at when pondering plans and strategies but also what they should look for the book s unique applied perspective sets business planning market strategy apart from conventional how to planning guides

branded a cultural chernobyl and the tragic kingdom the euro disney resort has been on its own thrill ride since opening in 1992 the much publicized version of the magic kingdom gave europeans alcohol free mocktails surly employees even colors too muted for the disney image facing financial disaster was it any wonder that disney execs found themselves wishing upon a star for answers after so many knee jerk criticisms of euro disney this book combines firsthand experience and research to shed new light on claims that the park is nothing more than a form of american cultural imperialism andrew lainsbury a former euro disney employee who knows what the park meant to its visitors goes beyond media bites and academic scorn to examine europe s love hate relationship with euro disneyland and some of the undiscussed issues surrounding it once upon an american dream is a story of global capitalism on a grand scale lainsbury has plumbed company archives and interviewed key players to give readers the real view from le chateau de la belle au bois dormant sleeping beauty s castle he cracks open the euro disney controversy to reveal the park not as a tragic experiment in exporting american culture but the result of european efforts to import a popular form of american entertainment lainsbury tells how the walt disney company came to build a european park and locate it in france how political negotiations affected its design and development how it was promoted to continental audiences and what caused its widely publicized financial woes before being rescued by a real prince from saudi arabia he reveals what it

took to win back the hearts of skeptical europeans such as serving wine selling flashy merchandise and placating disgruntled workers finally he looks into the magic mirror to speculate on the role of euro disney and the walt disney company in the twenty first century ultimately lainsbury shows that cultural imperialism is not an exclusively american phenomenon but a global corporate strategy and that global corporatism by needing to be responsive to consumers is so complex that it may not be as monolithic as feared once upon an american dream is a fairy tale for our times reminding us that for all the critical huffing and puffing the creation and marketing of pleasure is what euro disneyland is all about
